

Your hometown. *Their* future.

You've enjoyed a good life in a great community. What would you do to make sure future generations of Kansans can say the same?

The Keep 5 in Kansas initiative asks us to designate just 5% of our estates to our hometown needs. With a little planning, and help from our community foundations, we can create permanent funding for our schools, hospitals, churches, parks, nonprofits, libraries, and so much more!

A little planning. A big impact.
